Chris has not heard back from folks about reducing the number of participants so I quickly provided him with a quick outline for how tomorrow would go. Please let me know if you want to revise/modify the approach.

Okay. The rough plan if we don't hear back is as follows: (Please let me know if you want anything else added or if you want time following introductions)

- Meeting Facilitator (Matt Szelag – Pebble staff lead)
- Introductions (long list of invitees is below in the thread)
- Lead NEPA Reviewers (Patty McGrath and Molly Vaughn) will walk through briefing paper
- Schedule for final letter review (Political Leadership – R10, OW, OGC and OP will get the letter on Friday 8/14 and have until 8/19 to comment)
 - NOTE: If you or DC folks want further discussions once they have the letter in hand we can schedule them early next week)
- R10 makes final revisions 8/20 and 8/21.
- Letter is due 8/24
